STEWART MANN & THE STATESBORO REVUE

The Statesboro Revue is in the process of re-defining rock and roll by reinfusing it with blues and country, the real roots of southern rock music. Stewart Mann and the Statesboro Revue are trying to remind America what southern rock music is really all about: soul. Mann's voice, songs, and band have that in spades.

DALE PETROSKEY GUEST SPEAKER

Former White House Assistant Press Secretary, current President and CEO of the Dallas Regional Chamber, and former President of the National Baseball Hall of Fame, Dale Petroskey will be speaking at the gala where he will share his many experiences.
